

Circus Festival Palestine
Unite for freedom
October 6 to 15, 2016

APPLICATION FORM

Send by **March 10** to festival@palcircus.ps

Hello!!

We send you this call because you have expressed interest to participate at our international circus festival in Palestine that will take place from October 6 to 15. Or because we worked with you in the past, and imagined you might be interested to participate. You can find more about the why and how of the festival in the [introduction document](#). Once you have submitted your application, the PCS team will have the pleasure of reviewing all submissions.

We would love to bring everybody and celebrate al together, but unfortunately will not be able to do so. Due to logistic and budgetary restrictions, we will have to make choices based on the suitability of the show for our purposes during the festival. Therefore this application form! ☺

It is our first festival, and due to a tight budget we will be restricted in the number of people and shows we can invite and the fees we can afford for artists. We therefore call on all artists that are eager to come, to share in the search of support of local or national arts and/or governmental structures that can help in covering part of the costs for participation at the festival. Fees will be negotiated with each individual company.

One last thing, if you know of a wonderful artist or team or show that would love to participate, please pass them a copy of the intro document and application form.

LOOKING FORWARD TO READ YOU SOON!!!!

The Palestinian Circus School family

Application form (please fill out electronically)

Name of the company/group/artist:

Name of the show:

Author's name:
